Builders for Christ 2012 February School Every Monday night in February, from 6:30 pm to 8:30 pm. We will offer a meal from 6:30 – 7:00 and then begin our classes, which will run from 7:00 – 8:30. Hosted by the Union City Christian Church in Madison County, KY. We will leave McKee at 5:00 pm

Classes and Instructors:

Effective Bible Study - Chip Denief, Union City Christian Church

As Christians, we are to be students of the Word, but we don't always have very good Bible study skills. This class will cover resources, tools and methods for students who desire higher retention and greater understanding of Bible passages.

The Restoration of All Things: Preparing for the New Heavens and the New Earth - Chad Broaddus, Indian Creek Christian Church

The Word of God reveals that when Christ returns, God will restore all things and His children will live in "a new heaven and a new earth, the home of righteousness" (2 Peter 3:13). What will this new home be like and how does it impact our daily life in the present? In this class, we will study and prepare ourselves for the restoration of all things: the new heavens and the new earth.

Creation vs. Evolution - Mark Pearson, Mt. Carmel Christian Church

Families can come and develop a truly biblical worldview about the Bible, history, and science.

Christian Worship - Matt Vaught, Sand Hill Christian Church

True Christian worship is one of the foundations of Christian life both for the individual Christian and for the church body. Just what is "worship" and how is it to be offered in our lives and in our services? This class will answer these questions and focus on the importance of worship in the Christian life.
